

	Team	Scrum Master	Product Owner	Leadership
Foundation	Raise the Terror		Agile Awareness Seminar	
Intermediate	Some teams opt to do CSM for more time to explore the process or even CSM+PO bolt on	<p><b>Certified ScrumMaster®</b> Intro course for those wishing to fill the role of ScrumMaster or Scrum team member Prerequisite: none</p>	<p><b>Certified Scrum Product Owner®</b> Intro course for those who are closest to the 'business side' of the project. Prerequisite: none</p>	<p><b>Leadership Track</b> <b>Certified Agile Leadership 1</b></p> <p><b>About Certified Leadership Essentials</b> Certified Agile Leadership Essentials (CAL-E) courses bring awareness and understanding to the foundations of agile leadership. Discover the way agile leaders think, focus, and behave. The focus on agile leadership essentials equips you to embark confidently on the journey toward leading with agility and championing agile transformation in your workplace.</p>
				<p><b>About Certified Leadership for Organisations</b> C-suite leaders and directors are now required to shift the way that they think about their organisational culture and employees and become change agents. In this module, participants will gain knowledge, skills, and techniques that will help them to work toward sustainable agility for their organisations. The goal of this module is to bring awareness to the practices and principles of agility and how they apply to business/organisational agility. Through case studies and various models, participants will gain insight into how agile will and can work for their teams and organisation.</p>
Advanced		<p><b>Advanced Certified ScrumMaster®</b> Advanced course for ScrumMasters who have one or more years of work experience in that role. Prerequisite: CSM</p>	<p><b>Advanced Certified Scrum Product Owner®</b> Advanced course for Product Owners who already have one year of experience on a scrum team. Prerequisite: CSPO</p>	<p><b>Certified Agile Leadership</b></p> <p><b>Description</b> The Scrum Alliance Leadership (CAL) programme is a unique two-part education and practice-based programme to develop agile leadership competence and maturity. Increase your leadership effectiveness and learn how to be a better leader, no matter what your role. <b>CAL II</b> is an advanced education, validated practice, and peer-based sharing programme that consists of learning and practice across three categories (Leadership in an Agile Context, The Agile Organisation, and Agile Approaches to Change). The goal of CAL II to guide leaders in deepening, applying, and sharing their agile leadership learning.</p>
