# The Leadership Edge: Leading Change with Impact for G6's & G7's

Throughout the programme, practical exercises, experimentation and shared reflection make learning engaging, memorable and fun. Professional actors join the Relationship Building & Influencing and Managing Conflict sessions, bringing realistic workplace scenarios to life in a safe, supportive environment. You can explore different approaches, pause, try again and receive feedback on your impact.

## Introduction to Programme

**Wednesday 20 January 27**

This half day session is a virtual meet and greet with Trainer and fellow delegates.

## Leading with Presence (co-facilitated with Luke)

**Thursday 01 February 27**

Explore how your voice, body language and message shape your impact as a leader. Through practical exercises, develop the confidence and authenticity to engage groups, communicate direction and build trust.

## Relationship Building & Influencing

**Wednesday 24 February 27**

Build on your leadership presence to develop stronger relationships across projects and stakeholder groups. Explore different ways to build rapport, influence without relying on authority and gain support where priorities differ.

## Managing Conflict | Having Difficult Conversations

**Thursday 18 March 27**

Bring your relationship and influencing skills into more challenging situations. Practice addressing tension, offering constructive challenge and balancing empathy with clear expectations to keep relationships and delivery moving forward.

## Decisions, Decisions & Round Off

**Wednesday 31 March 27**

Take part in an interactive decision-making game that explores how you respond to competing perspectives and make decisions together. Reflect on how presence, influence and constructive challenge shape outcomes, and identify what you will take back into your role
